

I/We owners / agent (other than the builder) for the proposed works at
formally appoint Adapt Building Surveyors to carry out the functions of a building surveyor under part 6 of the Building Act 1993.

(Note: A building who has entered into a domestic building contract or who acts or proposes to act as the builder must not appoint a private building surveyor on behalf of the owner).

By signing this form, we also confirm that no other Building Surveyor has been appointed for the proposed works.
